Vienna, 27<sup>th</sup> November, 2013, Rick Yune arrives in Vienna to serve in his role as an International Honorary Board Member at the Center for Global Dialogue and Cooperation – CGDC, in preparation for the CGDC's 3<sup>rd</sup> Annual Meeting on 3<sup>rd</sup> and 4<sup>th</sup> December 2013 in Vienna. The businessman and Hollywood actor, who has been committed to serving the CGDC as an International Board Member for many years is available for media requests on Monday 2<sup>nd</sup> December in Vienna.

The CGDC's 3<sup>rd</sup> Annual Meeting's theme of Eurasia's future on the global stage has particular relevance for Rick Yune, as an Asian American of Korean, Mongolian and Chinese decent, Rick Yune commented, "The CGDC's 3<sup>rd</sup> Annual Meeting on the future of Eurasia is particularly timely with the dominance of the Asian economies and what this means for Europe's competitive position. The CGDC's vision of creating a force for global dialogue and positive change continues to excite me and I am enthusiastic about the opportunity to do this important work again this year in honour of the CGDC. The CGDC has an incredible ability to bring together leaders from business and politics from all around the world at the highest possible level to create networks of collaboration. In view of the on-going economic crisis, international dialogue, cooperation and cultural empathy are essential to the success of the Eurasian region."
